Vita – Liane Metzger

Fine Art Photographer – Landscape, Architecture & Atmospheric Visual Narratives

Born in 1977 in Sindelfingen · Lives and works in Baden-Baden, Germany

About the Artist

Liane Metzger is a German fine art photographer with a focus on landscape, architecture and atmospheric light. Her visual language is defined by clarity, calm compositions and emotional depth. Many of her series are created in the Black Forest, on the island of Sylt or in European cities, capturing moments in which light, space and mood unfold a quiet yet compelling presence.
